

PSYCHIATRIC MENTAL HEALTH NURSE PRACTITIONER POST- MASTER'S CERTIFICATE

The Psychiatric Mental Health Nurse Practitioner (PMHNP) Certification option at St. Catherine University provides an educational route for nurse practitioners who already hold a master's degree in nursing with certification in an existing primary care nurse practitioner population focus who seek a second area of specialization in psychiatric mental health. Students will build upon their advanced practice nursing knowledge and engage in courses that will prepare them to provide psychiatric mental health care to patients needing mental health assessment, case management, and ongoing clinical management.
