Purpose: Meal plan information and requirements for students living on campus

Students moving onto campus after the first day of classes may be eligible to select a reduced meal plan based on the first date of occupancy, as determined by The University. Students moving onto campus after the first day of classes may not change their meal plan once occupancy has started.

Dining Services hours and operations subject to change during break periods.

Failure of a student to utilize their meal plan does not relieve the student of the obligation to pay for the meal plan.

Resident Meal Plan Rates (<https://www.stkate.edu/life/housing/housing-and-meal-plan-rates/>) are available online.
