

SCHOOL OF BUSINESS

Mission:

The mission of the School of Business is to prepare women to lead and influence. Our women-centered education combines practice-based career readiness, social responsibility, academic excellence, and a supportive and inclusive community of students and faculty. That strong industry-experienced faculty is devoted to student advancement and sees student success as the school's success.

Baccalaureate majors offered in the School of Business include accounting, professional sales (healthcare and business to business), business administration, marketing, business management, fashion design, and fashion merchandising. These majors may lead to graduate programs including a fully online Master of Business Administration (MBA) and a fully online Master of Arts in Organizational Leadership (MAOL).
