

# NURSING - RN-BSN

## Admission to the RN-BSN in the College for Adults

The RN-BSN Degree Completion section, offered in the College for Adults, is for registered nurses only. In order to begin upper-division courses in the nursing major, students must meet the following criteria:

1. Current and unencumbered registered nurse licensure
2. Cumulative GPA of 2.5 or above (calculated on all courses, including failed courses, completed within the past 10 years). Students ineligible for the nursing major because of GPA or nursing course grades may be reconsidered on an individual basis by petitioning the RN to BSN Committee on Students.
3. Completion of 82 semester credits
4. Minimum grade of C in all nursing courses

Other requirements to be fulfilled prior to entering the nursing major include the following:

1. Cardiopulmonary resuscitation (CPR) certification
2. Unencumbered registered nurse license in the United States
3. Current immunizations
4. DHS Background Study

## Important Essential Abilities

For successful admission and continuance in St. Catherine University's pre-licensure nursing programs, a specific set of essential cognitive, sensory, communication, psychomotor, and behavioral/ emotional/ spiritual health abilities are required to be performed with or without reasonable accommodations.
